To Whom It May Concern:

In October 2006, we received our funding commitment decision letter, which reduced funding for FRNs 1386189, 1386195, 1386204 and 1445874 on Form 471 Application Number 504562 for priority 1 telecommunication services, and denied funding for FRNs 1417715, 1417738, 1417753, 1417786 and 1417810 on Form 471 Application Number 515330 for priority 2 internal connections. Funding was denied since the site-specific discount was reduced to 20% and the discount level was below the funding cap.

In November 2006, we appealed to USAC regarding this decision since the site-specific discount for Yeshiva Or Chadash is in fact 90%. Our discount was determined by a survey. The survey letter posted on the SLD website was sent out to the parent body of our enrolled students. Based on the responses received, it was determined that 80% of our students are income-eligible according to the set income levels. Therefore, Yeshiva Or Chadash is eligible to receive 90% funding from the SLD.

In February 2007, in a follow-up fax from USAC, we were asked for proof of our 90% eligibility. We submitted a sample of a returned survey letter, of which we are enclosing a copy for your review. Subsequently, all of our priority 2 internal connections funding requests were approved at the 90% funding level. However, this is not the case for our priority 1 telecommunications requests, which are still being funded at the 20% discount level. It seems obvious that both priority 1 and priority 2 should be funded at the same 90% discount level.

In light of the above information, please reconsider the adjustment of our discount percentage for all of our telecommunication services back to 90%. Please feel free to contact me at (516) 561-5090 for any additional information.

Thank you,

Shira Manne
